

# Minimum Order Policy

---

SMD Fluid Controls, a division of Strain Measurement Devices, Inc.

SMD Fluid Controls has a \$50 or Euro 50 minimum order policy and accepts many types of orders from single piece custom orders to blanket orders with "Kanban" releases. We accept credit card orders (MC, Visa, Discover, and AMEX) or POs with a credit reference, and offer quantity discounts. All orders will be charged a \$10 minimum packaging and handling fee. All foreign import taxes are the customer's responsibility. We are focused on prompt and efficient customer service and will work with your special requirements toward a mutually beneficial solution.
